City of Edgewater Referendum

Amendment of Residency Requirements of Certain City Department Heads or Employees

The current City Charter requires certain Department Heads reside in the city. The City Council may waive this residency requirement if deemed in the best interests of procuring the services of the most qualified professional applicant and the Council finds extraordinary circumstances exist. Currently, this waiver is not available to the Police and fire Chief. This Amendment removes the requirement that extraordinary circumstances exist and makes such waiver available to the Police and Fire Chief.
